

Midjourney generated

Techysparks

UI/UX Designer

PROFILE

A crypto-native UI/UX/Graphics designer, with an ongoing interest in all things tech & design. I know my way around chains and have been through more bridges, rugs, dumps, hacks, exploits than I'd like to admit. Living and breathing this space.

EDUCATION

BSc Computer Science

Major CS, Minor Management and Econ, 2018

BSa Communicology

Major Communicology and PR, 2022
